Elective Courses to Choose Your Specialisation

Common Law: For students aiming at international law firms and cross-border practice

Maritime Studies: For careers in the world's largest shipping industry

Greek Law & Practice: For those considering professional life in Greece or Cyprus

*Greece controls the world's largest merchant fleet by tonnage.
Studying maritime law here is a strategic choice.*

Your Legal Future

The Aristotle University

Academic Pathway

Build Your Legal Foundations

LLB → 4 years | 240 ECTS

Specialise

LL.M. → 1 year | 75 ECTS

Step Into the World

A combined 5-year curriculum meeting the Bologna benchmark for integrated legal studies, from foundations to specialisation and beyond.

International Faculty & Network

For nearly a century, the Faculty of Law has shaped Presidents of the Hellenic Republic, Prime Ministers, and Justices of the highest courts.

Today, our students benefit from the vast network of academic partnerships and the Erasmus+ programme, while competing in 9+ international moot court competitions every year, with top placements at The Hague, Strasbourg, Luxembourg, and Washington D.C.

Start Here. Go Anywhere.

Think Critically

Learn how to question, analyse, and argue.

Understand Globally

Apply in Practice

Connect theory with real-world legal challenges.

Thessaloniki: **Study, Live, Grow**

In **Thessaloniki**, university is not just something you **attend**. It's something you **live**.

Greece's cultural capital and one of Europe's most vibrant student cities, Thessaloniki is home to over 150,000 students and a thriving international community. Affordable, social, and dynamic, this is a city at the crossroads of Europe and the Mediterranean, connected to major capitals across the continent and the Middle East.

For the next four years,
this will be **your home to thrive**.
